Hello! So, I am an American student traveling around Norway and Europe in general for the next couple Years. My three other buddies and I were wanting to get the Kommune Pins from the towns we have been to, because they are really cool! So we were wondering if you could mail your pin to us! our home base for the next couple months is

Bergen, Rieber-Mohns Veg 33, 5231, Paradis.

to be clear, we would like 4 of each pin, if you could manage that.

Thanks! We appreciate it!
