### WiFi4EU: countersignature of Grant Agreement & start date of the Action

Dear Sir/Madam,

We are pleased to inform you that the Grant Agreement with your municipality Meland (NORWAY) has been countersigned by INEA. The date of the countersignature will be considered as the start date of the Action. A copy of the countersigned Grant Agreement will shortly be available for download in the Portal.

You now have 18 months to complete the installation of the Wi-Fi network in accordance with Annex I of the Grant Agreement and submit the required declarations in the Portal to confirm completion of the Action.

Please be reminded that you must select a Wi-Fi installation company for the implementation of the Action. You may consult the list of registered Wi-Fi installation companies in the Portal or ensure that the Wi-Fi installation company of your choice is registered.

Best regards,  
The WiFi4EU team
