

Information about the kindergarten user survey

Meland kommune and the kindergartens are undertaking a project to create better quality at kindergartens. It is therefore important for us to know about your views as a parent/guardian.

We have formulated a user survey and hope that you will have the opportunity to answer it. By answering the questions, you will provide us with an overview of what we need to improve.

The project will take place between 29th of May and 12th of June 2015.

You will find the questionnaire in an e-mail from : noreply@bedrekommune.no
The questionnaire contains a link you can use. If you haven't received the survey on the 30th of May, please look in your spam e-mails or contact Meland kommune or your kindergarten.

If the link in the e-mail causes you trouble, you may use a one-time password and complete the questionnaire at the following web address: <http://svar.bedrekommune.no>

All answers will be treated anonymously.

If you have any questions regarding the survey, please contact your kindergarten or Meland kommune att. Mette M.Træland, phone 56171073 or e-mail to mette.m.traland@meland.kommune.no

Obviously, participation in the survey is voluntary, but we hope that this will be a way for you to help us create a better kindergarten.
Please ask your kindergarten for more information.

Thank you for your help!

Regards, Meland kommune : Mette.M.Træland.
