

100 m

This is an aerial photograph of a residential neighborhood. A main road runs diagonally from the top right towards the bottom left. Several houses are scattered throughout the area, with some having blue markers on their roofs. Black dashed lines delineate property boundaries. A red vertical scale bar on the left side of the image is labeled '100 m'. At the bottom center, there is a white box containing the text '100 m' and a red horizontal scale bar below it. The terrain is mostly green with some brown patches, suggesting a wooded or semi-wooded area.
