Hei, or you see all this documents? Because I waiting answer or this document is right? Which document do you need more? I don't got any answer where you explain that I need more? Now I received a letter with general information in [altinn.no](http://altinn.no) and nothing more. Before you say that I need fill form 5184 and 5187, I fixed it, but I also don't get any answer from you.

Now I send to you all documents. Can please can you review and comment on them? I will send the documents in several letters, because everything does not fit in one letter.
