Hello!

Norway is known throughout the world by your history, works of literature and art, outstanding people.

Now I study materials about your country, customs and traditions.

On the official website I saw the coat of arms of your commune.

I think it's very beautiful and interesting.

I interested heraldry for several years.

If possible, please send me the Pins with the emblem of your beautiful commune.

Best Regards, Anastasiia.

Thank you very much!
