

Artsområde Fiskemåse

The image is an aerial photograph of a coastal area with several overlaid planning boundaries. A large area on the right is outlined in green and filled with a green hatched pattern. A narrow strip along the coast is outlined in black and filled with a black hatched pattern. A large area on the left is outlined in red and filled with a red hatched pattern. A dark blue area on the far right represents a body of water. Four labels in white boxes with black text are placed over the map: 'Artsområde Fiskemåse' at the top left, 'Naturtype' in the center, 'Veltepass' on the black hatched strip, and 'Mona S. Brekkan 16/4' at the bottom center.
